# Mount Union College, Alliance, Ohio 44601

Mount Union College is the outgrowth of a town meeting held by forward-looking citizens of the village of Mount Union, October 4, 1846.

On October 20, 1846, Orville Nelson Hartshorn, founder of Mount Union College, organized a select school. He taught six students on the third floor of the old carding mill.

One hundred and thirty three years later, and one thousand students stronger, Mount Union College stands firm.

# Homecoming 1978 Style

On Thursday afternoon of homecoming week *The Dynamo* sponsored this hot air balloon in the quad.

Dean Davis gets a big kick out of Todd Schneider's initiation by Sandy Wood.

Spirit and enthusiasm prevailed during the 1978 Homecoming celebration. The festivities, planned under the chairmanship of Student Senate Vice-president, Jim Humphrey, added an excitement and unity in participation that have in the recent past been missing from Mount Union's homecomings.

The celebration started off with a bang, or more accurately, several big bangs, as a Heidelberg Student Princes car was crushed by students participating in the Car Smash-up. Sponosored by the Student Senate, the smash-up served not only as a release for hostility and demonstration of strength, but it was symbolic of what we hoped MUC's Raiders would do to the Princes.

That same evening, things mellowed with the annual AWS Fall Fashion Show. The show featured freshmen models Lori Brunner, Belinda Dawson, Lynne Keener, Paula Lewis, Cathy Snoderly, Laurie Swaldo, Maria Tsipis, and Karen Yohn. Faculty models were Dr. Kathleen King and Mr. Richard Giese. Student male models were Bruce Ferrentino, Paul Gulling, Todd Locke and John Teece. These models, under the leadership of Co-chairpersons, Jane Marshburn and Leigh Ann Wilson, made the Fall Fashion show a great success. It was an enjoyable evening for all who attended.

The mood was one of fun and excitement as Memorial Hall was turned into a Homecoming Carnival. Students and faculty alike left their worries outside as they entered the carnival scene complete with games, barkers, and food.

Highlighting the carnival scene was the faculty jail, where students paid to have friends, enemies, and administrators jailed or put in the stockade, but only after a "fair" trial.

Dart games, the Tri Delta ladder climb, and the Physic's department "fiendish fencing", offered chances to test skills while guessing games included the first place Sophomore Service Honorary booth, "How well do you know your profs?" Complete with popcorn, caramel corn, candy apples and lemonade, it was truly a night "UNDER THE BIG TOP."

The next evening, students, with faces glowing under the light of flaming torches, lead by the Mount Marchers and MUC's cheerleaders, marched in the torch light parade. An arousing rally followed in the stadium. The rally included a literal exploding of the spirit of Heidelberg and a firm commitment from the senior football players to do their best to beat the Princes.

The evening's events didn't end after the rally. It was followed by a celebrity series concert sponsored by Student Activities Council. Steve Fobert, Alex Bevan, and the Poisette-Dart Band provided the evenings musical entertainment.

Finally the big day dawned. Pre-game activities began with the homecoming parade. The parade wouldn't have been complete without its clowns and the band. Floats expressed themes ranging from the "Flush the Heidelberg Student Princes," common to both the first-place Alpha Chi Omega and Sigma Alpha Epsilon float, and second-place Delta Delta Delta and Sigma Nu float, to the rat patrol third-place float of the Psychology Club.

Then the stadium began to fill as game time approached. Despite the spirited fans, the first two quarters didn't look good for the Raiders, behind at the half by a score of 7-14.

Halftime began with the Mount Marcher's grand showing of their new uniforms in a sparkling performance. The money for the uniforms was provided by the Parents' Association of the college.

Then the 1978 Homecoming Queen, Laurie Elias (Alpha Delt Pi Representative) was crowned by last year's queen Mary Ellen Newport. The court included Cindy Brooks, Alpha Chi Omega Representative; Patti Frasher, Independent; Debra Morgan, Black Student Union Representative; Kathy Sharp, Delta Delta Delta Representative; Susan Tesi, Independent; & Elizabeth Welch, Alpha Xi Delta Representative.

The Raiders returned to the field seemingly more enthusiastic than in first half play. They scored 13 fourth quarter points in their come-from-behind 20-17 victory against the Heidelberg Student Princes.

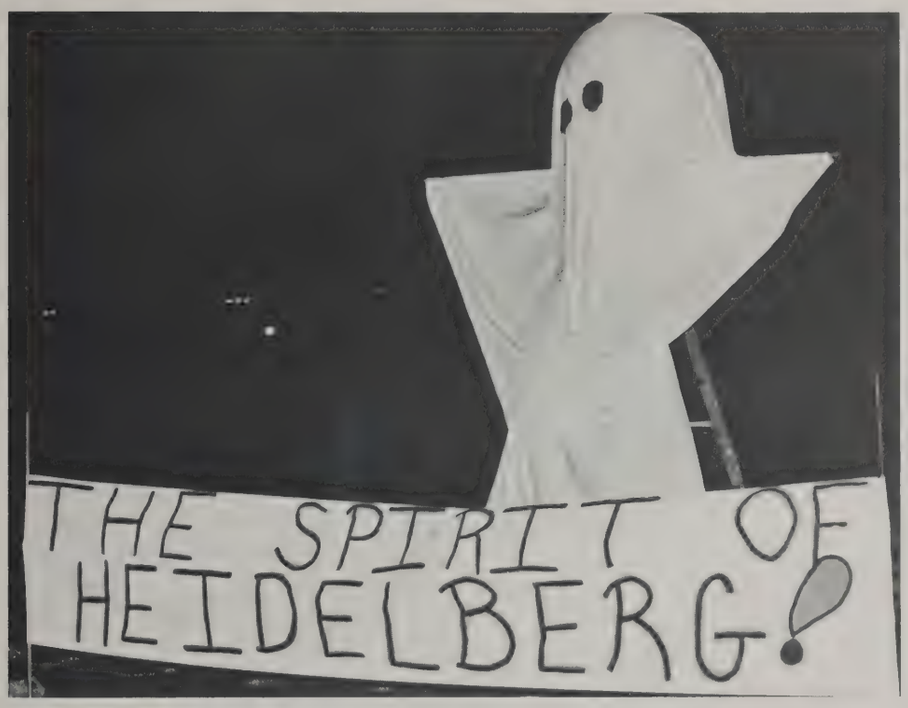
To cap off the week's festivities was the Homecoming Dinner and Dance sponsored by the Student Senate. Even there the spirit of the week could be felt by the many faculty members, alumni and students who filled the Alliance Country Club bringing the Homecoming activities to a pleasant close.

Sue Sharp tests her fencing skill.

Barb Haidet and Melinda Medley are on the receiving end at the carnival.

The SAE's discuss their booth before the carnival in Memorial Hall began.

On Friday evening, the torch parade lit the way to the football stadium.



"The Spirit of Heidelberg" greeted the crowd at the rally in the football stadium.

Steve Fobart performed in Memorial Hall.

Bette Simon addressed the crowd at the rally.

Phi Kappa Tau shows their support at the Homecoming parade.

Rat Patrol squeaked through with a third place in the Homecoming parade.

Susan Tesi smiles for the photographer.

The Tri Delt and Sigma Nu float won second place.

The Mount Marchers and Majorettes bring their half-time show to a close at the sidelines.

The majorettes even got new uniforms.

This Mount percussionist plays a solo during the Homecoming half-time.

The Homecoming Court poses with escorts.

The 1978 Homecoming Queen Lori Elias stands on the sidelines with her parents.

Homecoming Queen Laurie Elias leads the fans in the Mount Union Alma Mater.

Lucinda Bikali enjoys the dance with her date.

Mount students and alums attended the Homecoming dinner and dance.

# Reflections of 1978

"Reflections of 1978" is a pictural history of some of the major events that took place on campus.

Mount Union students will never forget the blizzard of 1978.

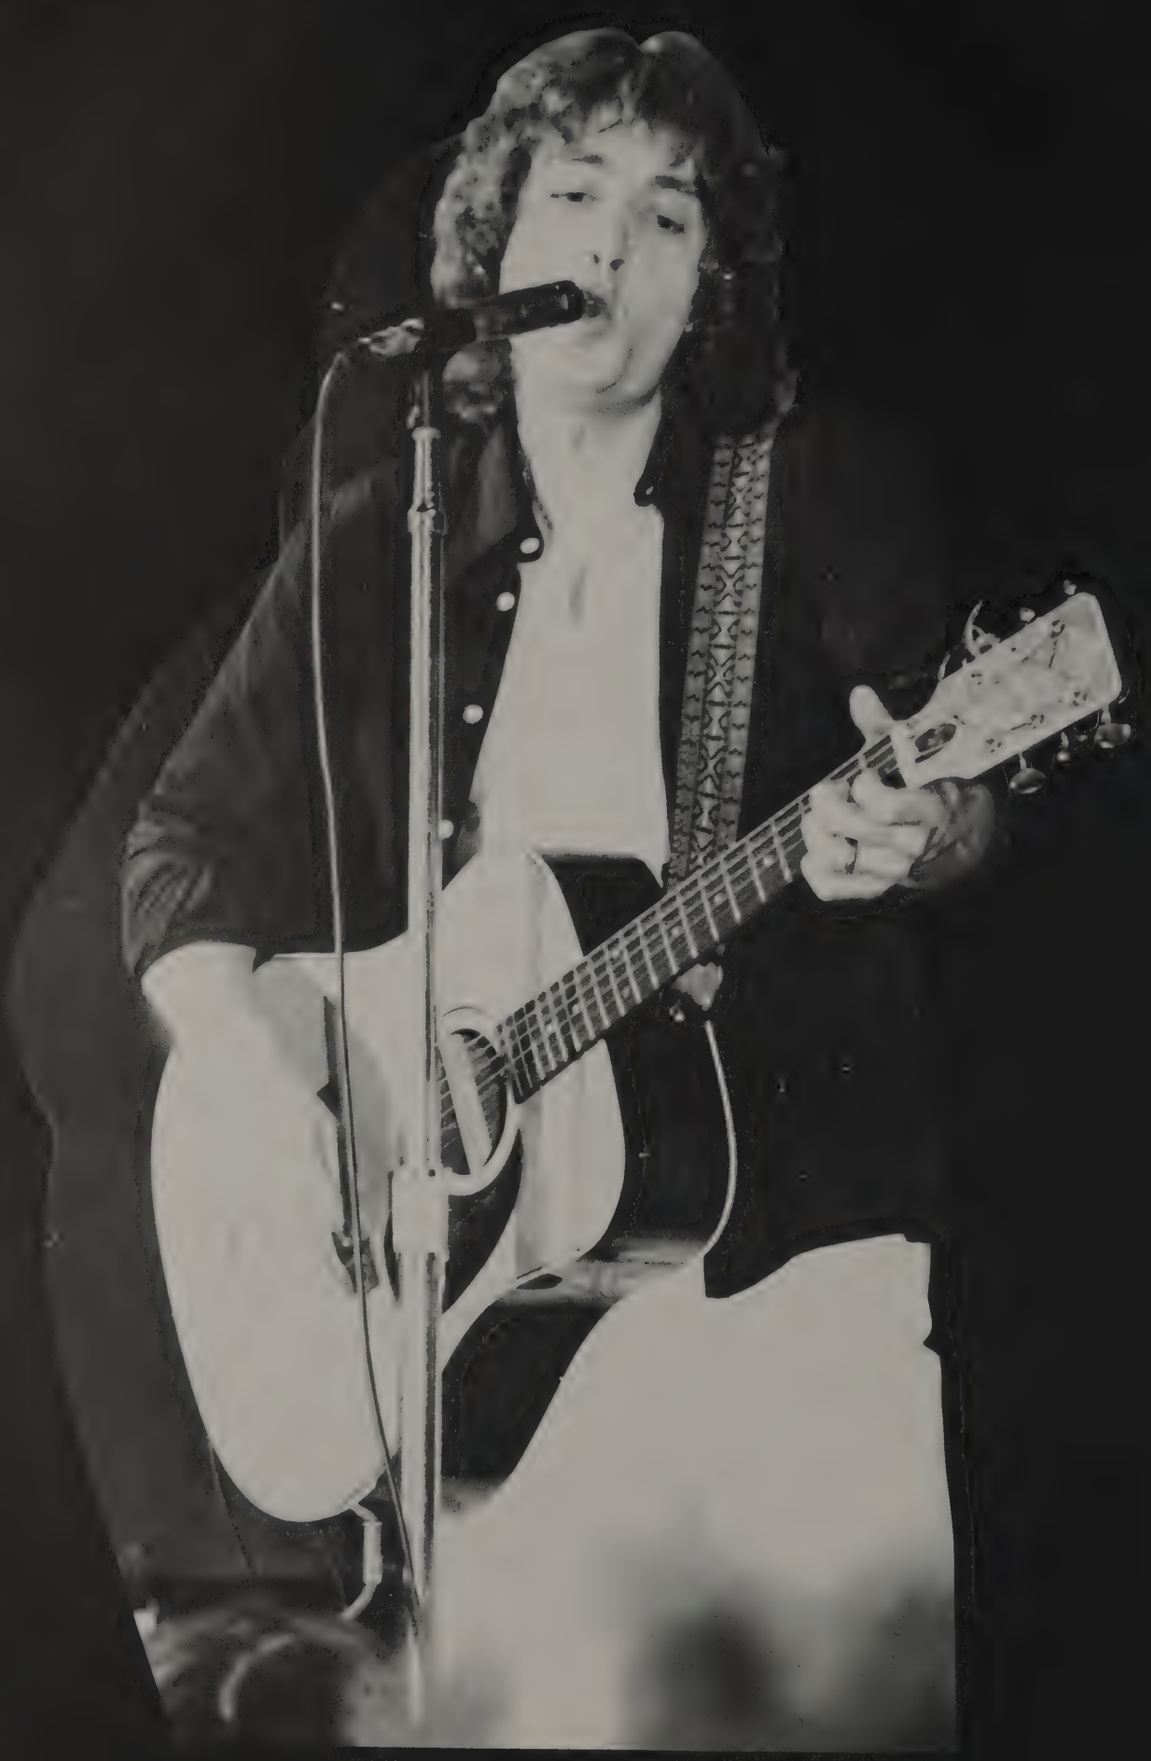
The week of January 26 found students back into the swing of things after a six-week Holiday break.

The blizzard dumped almost two feet of snow on the Alliance area and the wind chill factor was as low as –45 degrees. These two scenes were very typical of the arctic weather conditions to which the Northeast Ohio area was subjected.

Julian Bond, Georgia State Senator, came to Mount Union in the 1978 academic year.
Bond gave several lectures to students and Alliance area citizens.
Bond's visit to Mount Union was made possible by the Black Student Union.

The 1978 William McKinley Visiting Scholar was John Sheldon Doud Eisenhower. His visit to three area campuses marked the eleventh year in which a scholar of national and international renown had been brought to the area.

# Michael Stanley



The Michael Stanley Band gave the most exciting concert of the year at Mount Union College. In front of a jammed packed Memorial Hall audience, on April 28, MSB filled the air with music from its new album, *Cabin Fever*. It was the first area appearance by the group since returning from Wales where they cut Cabin Fever.

John Koslen, former guitarist with MSB, opened the show with his new band Breathless.

The 1977 May Day Queen Linda Stowell proudly crowns Garee Giovanini the 1978 May Day Queen.

The May Day festival is a tradition that many Mount Union students have enjoyed.

It's a time for women in junior standing to get their spring formals out and compete in a small scale beauty contest. The judges are a group of citizens from the community. The judges select the court according to levels of intelligence, personality and poise.

This picture was taken the night of tryouts, shortly after the 1978 court was announced.

The court included: seated, left to right, Tammy Zinkhon, Peggy Alexander, Ann Ruch, Patti Frasher, and Trish Loughlin. Standing, Martha Polen, Jana Faught, and Garee Giovanini.

Minutes before Commencement, Dr. G. Benjamin Lantz, dean of the college; Dr. M. Robert Mansfield, college chaplain; Bishop James Thomas, commencement speaker; and Dr. Ronald G. Weber, president of the college, posed for this picture.

June 9, 1978, was a beautiful sunny day for some 200 students to reach a milestone in their lives.

Mark Bergmann proudly smiles as he marches with his class to the Timken Physical Education Building to receive his degree.

Looks like these girls have everything but the kitchen sink.

Ann Sain carries in one of the necessities of college life . . . a stereo.

Orientation means freshmen move into a whole new atmosphere. Family and friends help with the process that seems as if it takes all day.

In between the tugging and lugging, there's always time to stop and chat.

Moving in is definitely a group project.

# A Thanksgiving Celebration with Ben Franklin

Ben Franklin and his guests are pictured here before dinner was served.

"A Thanksgiving Celebration" was sponsored by those Mount Union students interested in going to South America this summer. The choir intends to travel to several South American cities on their musical tour. The money raised at the dinner was to help defray the cost of the trip.

The cast included the following people:

George Washington..... Robert Sements
Martha Washington..... Janet Sailer
Thomas Jefferson ..... James Humphrey
John Hancock ..... William Spiker
John Adams..... Robert Wang

From left to right: Bob Sements, Nick Pinnola, Greg Spencer, Roger Whitacre and Rod Conrad are seen here during their marathon attempt at L&K restaurant in the early stage of their 60 hour singing session.

A weary but supporting crowd is pictured here as the "Marathon Men" sang.

Five Mount Union men attempted to break the world singing record so they could be included in the *1979 Guiness Book of World Records.*

They started singing Friday, January 19 at 9:00 a.m. and set a new world record by singing 60 hours. They finally stopped at 9:10 p.m. Sunday, January 21.

The group received extensive coverage ranging from two major Cleveland networks, numerous newspapers and radio stations, and even made the wires of United Press International.

But all this publicity may have hurt the group in the long run. It just so happened that a choir in Michigan was attempting to set their own record. Their original goal was 50 hours of non-stop singing.

When the choir in Michigan heard about the Mount men, they decided to go for 61 hours.

A story in the January 26 issue of *The Dynamo* quotes choir director Dr. Gordon Brock as saying, "we may still have it."

Well guys, if you don't make the *'79 Guiness Book of World Records,* at least you got into the *'79 Unonian.*

"I don't know, Sister. Father's so strange. I'm worried. I told him about the leftover meat when you cook, and he banged the table so hard he knocked my bowl over."

*The Runner Stumbles* is based on an actual trial in Michigan in 1911. It's a courtroom drama with extensive flashbacks recounting events leading up to the murder of a nun (Sister Rita) and the charging of a priest (Father Rivard) with the crime.

But it's not your usual courtroom fare. It's basically a character study of Father Rivard, his own special way of confronting God and the world (the title is derived from Isaiah 40), and especially his growing relationship with Sister Rita.

"Leave her alone. Leave her along. This cruelty must Stop!"

"What Sister is saying is that God obviously was watching over her in her trouble. Just as He will watch over you and your mother, too, Erna."

"If you say you're guilty, no matter what the jury thinks, they can only sentence you to life. They can't hang you."

"Well Thea, how does it feel to sit next to Tesman the way you used to sit next to Eilert Lovborg?"

The people Ibsen writes of are all extremely human. Though they live in another era in another land, the workings of their hearts and minds are universal and timeless. Even though Hedda herself might be considered a little special, she exists by no means in isolation. Her story is short; but when the play is over we are intimately acquainted with every one of the characters involved. This is typical of Ibsen's genius. With all his economy of language and action, he makes us keenly aware of all the various elements which have made these people what we see them to be. His canvas is strong, vivid, illuminated, ruthless, and conclusive.

Mrs. Elvsted pleads with Lovborg, "Please don't go out drinking with the guys."

These two characters are captured in a serious scene during the dress rehearsal.

Aunt Julia says to Hedda, "Thank God an old Aunt might be able to make herself useful around this house soon."

Hedda hands Eilert Lovborg a token of her friendship.

Greek Week is many things to many people. Obstacle course ... tug-of-war ... egg toss ... bobbing for eggs ... pizza eating ... beer chugging ... trivia ... academic challenge ... Greek sing ... canoe races ... leaky bucket ... individual talent ... combined talent ... and last but not least the big party at the house of the winning fraternity. In 1978 Alpha Tau Omega and Alpha Chi Omega were the winning combination.

# Black History Week 1979

Six days of activities in honor of Black History Week was scheduled at Mount Union College Feb. 10-15. The events were sponsored by the Black Students Union at the college.

Highlighting the week was a Tuesday, Feb. 13 presentation by Frederica Teer in the Hoover-Price Campus Center, and a Wednesday, Feb. 14 morning convocation with Wendall Whalum, director of the Morehouse College Choir in Atlanta, Georgia.

Ms. Teer, a consultant for numerous corporations working with problems of human relations, staff effectiveness and managerial development, discussed job strategies for blacks. Titling her discussion, "Guerrilla Tactics in the Job Market," Ms. Teer based her presentation on a book with the same title by Tom Jackson.

She received a master's degree in social work from Atlanta University and has served as the West Coast Regional Director of the Congress on Racial Equality (CORE) and later as an instructor in the School of Social Welfare at the University of California at Berkeley.

Whalum, who presented a convocation program in Presser Recital Hall on Wednesday, Feb. 14, is chairman of the Department of Music at Morehouse College and is

widely known as a lecturer on aspects of Afro-American Music. He has coordinated music for memorial services for Dr. Martin Luther King, Jr., presented at the Lincoln Monument in Washington, D.C., at Morehouse College, and at the inauguration of President Jimmy Carter.

Dr. Whalum earned his B.A. from Morehouse College in 1952 and his M.A. from Columbia University in New York in 1953. He received his Ph. D. from the University of Iowa in 1965. He also holds an honorary doctorate degree from the University of Haiti.

Other activities scheduled during the week at Mount Union included: a disco dance on Saturday, Feb. 10 with Bad Company performing; an evening in gospel with Sylvester Briggs and the Canton Church Choir on Sunday, Feb. 11 in the Alumni Room of the Hoover-Price Campus Center; a discussion on Monday, Feb. 12 in the Alumni Room on the role of the black female in the black family presented by Mrs. Shelia Berry, an instructor at the University of Akron and Dr. Shirley McLain, a faculty member at Kent State University; and a student-directed production of two one-act Plays, "The Rook" and "Happy Ending" in Rodman Playhouse on Thursday, Feb. 15.

# Track

The Mount cindermen were well represented in both the field and running events. Sporting the best times in conference competition was Mount's 440 yard relay and mile teams. The 440 yard relay team of Jeff Marks, Dwayne Brandon, Willie Jofferion, and Reggie Edwards clocked a time of 42.6. The Purple Raider mile relay team of Claude Charlillo, Brandon, Jofferion, and Edwards clocked a time of 3:19.4 in competition during the season.

Because of their win in the OAC Championship, it gave Mount a claim that no other OAC team has ever achieved — a triple crown in track. The cross country team won the Conference championship, and indoor track — men won the Relay championship.

At the Spring Sports Banquet, McIntyre and Jofferion were named the Most Valuable Runners, while Ken John received the Most Valuable Field Event Award.

# Baseball

The spring of 1978 unfurled a new invigorating season of competition for the Mount nine.

The squad got off to an explosive start that regretfully ebbed as the season progressed.

Paced by the joint efforts of Jeff Meshey, Dave Lundgren, Bob Korponay, and Denny Martin, the Batmen rallied to a greatly improved season over the preceding year.

A key loss to Ohio Northern abruptly ended the Batmen's aspirations of the conference championship.

The Purple Raiders concluded the season on a positive note by sweeping a double-header from Allegheny College.

With the loss of only two seniors, however, the Raiders can face the upcoming season with renewed optimism and a surge of confidence.

# Women's Softball

For Mount's women's softball team, the 1978 season was an outstanding one. Its winning season can be attributed largely to an enthusiastic new coach who inspired her players to reach their fullest potential. The team, made up largely of freshman players, demonstrated great spirit and ability throughout the season, ending with an 11-6 mark. Offensively the team was led by Terri Carle, with a .533 batting average, followed closely by Sis Woods and Kriss Moore. In tournament action, they were defeated by eventual national runner-up, Miami, 4-1, but statistically had a better game, with more hits and fewer errors, than did the victors.

# Golf

The golfers of Ken Wable proved to be both determined and talented, ending their season with a record that reflected greatly improved consistency.

The Raider linksters were led by all-American Chuck Rininger, along with the strong efforts of Rick Snode and Dave Thomas. The Raiders performed commendably during the season, placing fourth at the OAC tournament, but narrowingly missing the bid for NCAA tournament action.

With spring came the fast action and fancy footwork of both Men's and Women's Tennis teams as they competed in the 1978 season.

Mount's women netters played a rough schedule of matches including Wooster and Case Western Reserve, both nationally ranked teams. They were led by Marianne Mentzer in singles play and in doubles by the team of Marty Ring and Bobbi Davis, concluding their Spring campaign with a 1-6 record.

Left to right, row 1: Trish Blon, Cindy Elavsky, Mindy Autenreith, Kathy Johnson, Barb Cohen, Meg Halpin, Marianne Mentzer. Row 2: Gwen Davis, Tina Mills, Marty Ring, Cindy Meigs, Bobbi Davis.

It was an off season for MUC's men netters. The Raiders finished 9th in the OAC Championship with a disappointing 2-8 mark. Four of the squad's losses, however, were 5-4 decisions. Mike Leyshon, Mount's MVP for the 3rd consecutive season, led the Raiders at the number 1 singles position, posting a 7-3 record. Leyshon's overall record here at Mount is an impressive 24-4 mark.

# Cross Country

The Mount Union College Cross Country team went through the regular season undefeated and won the Ohio Athletic Conference Championship and the NCAA Division III Great Lakes Regional At the NCAA Division III Championship in Rock Island, Illinois the squad placed sixth.

In regular season action the Raider harriers defeated the University of Akron, Baldwin-Wallace, Marietta and Oberlin. The Raiders also clinched the OAC Relay Championship, and the Mount Union Invitational, plus placed second at the All-Ohio meet.

At the OAC championship, five Raider runners placed in the top ten to win All-Conference honors. Tom McIntyre paced the Mount Union pack with a time of 25:38 for a second place, while Kevin Meadows came in fourth with a time of 25:54. Joe Dotson locked up sixth place for the Raiders with a time of 25:57 and Don Landin ran the five mile course with a time of 26:00. Balancing the Mount Union attack at the OAC Championship was Dave Menosky who placed tenth with a time of 26:09.

Mount's 4-4-1 football record doesn't accurately describe the success of their season. The Raiders played much better statistically then the win – loss record indicates.

They started the season with a disappointing 13-10 loss to Albion. Mount played well leading at the half 10-3, but didn't have the same drive in the second half.

Their next game, a 63-20 victory over Oberlin proved that the Raiders had the ability to play an extremely successful offensive game. The stats looked like this: rushing gains of 163 yards by Claude Charlillo, and 129 yards by Paul Roniger; Joe Toth passed for a total of 109 yards, and Paul Gulling was the receiver for 83 of these yards.

Grove City College was the next opponent in front of a jammed stadium on Parents' Day. The 38-38 tie provided for much excitement to the special day, as the Mount fans watched the Raiders come back from an 18 point Grove City lead at the end of the third quarter, to eventually tie the game in the final seconds of the contest. Charlillo again gained over 100 yards, but the big story was Toth's 208 yards gained passing, and Gulling's receiving for 166 yards.

The next two games shattered the hopes of having a great season. Mount Union was upset in both away games against teams ranked high in the division standings; Ohio Weslyan 19-0, and Baldwin-Wallace 32-13.

The Homecoming game boosted the teams spirit after their defeats with a 20-17 victory over Heidelburg gained by a 13 point come back in the fourth quarter.

Still enjoying the taste of victory the next weekend the Raiders downed Dennison University 22-21.

But the Raiders couldn't stay on the winning trail for long. Their last conference game was a close 11-10 upset, at the hands of Ohio Northern, despite the precision passing of Toth who gained 218 yards.

The final game of the season, the play-off game against Otterbein was a close one with Mount on top 16-13, and ending the season by placing fifth in the conference.

Charlillo led Mount in yards rushing with nearly 700. He was followed by Froelich, Murphy and Toth who all had over 250 total yards.

The big offensive yard gainers for Mount this season was the passing team of Toth and Gulling. Toth passed for over 950 yards and Gulling received nearly 700 of these. At the fall sports banquet, Toth received the Most Valuable Offensive Player Award.

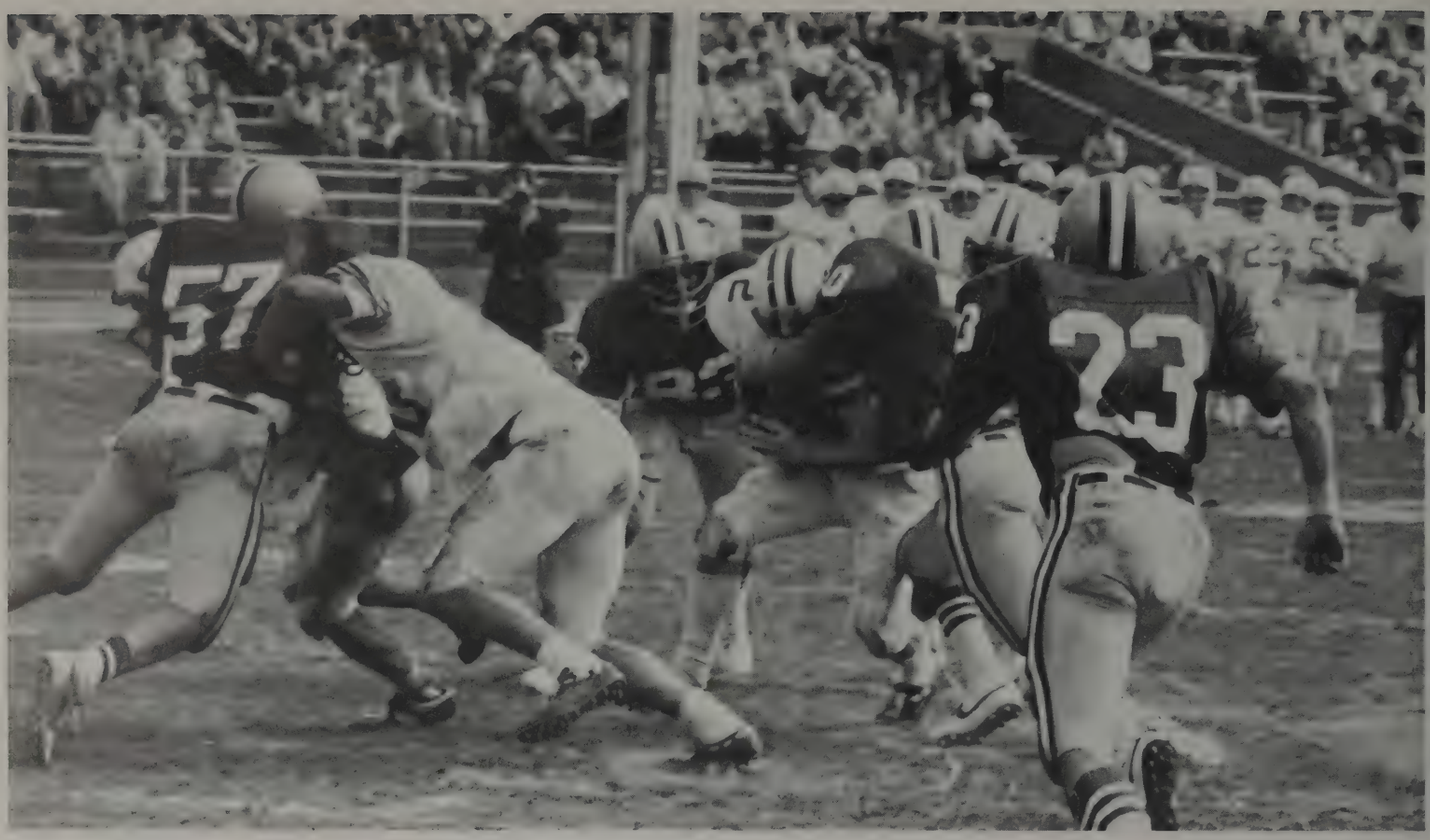
Defensively the Raiders were led by MVP Ward Smith and Jeff Teece. Five of the Raiders made the first All-Conference team. They are: Paul Gulling, for the second year, wide receiver; Dave Hook, kicker; Claude Charlillo, halfback; John Teece, offensive guard; and Jeff Teece, defensive tackle. Toth receive an OAC Honorable Mention and Ward Smith was nominated at the linebacker position.

The Purple Raiders are looking forward to a better season in 1979. Losing only six seniors, the entire starting defensive team will be returning and offensively they will lose only linemen. Returning with an experienced team who have proven that they do have talent, Mount should enjoy a great season next fall.

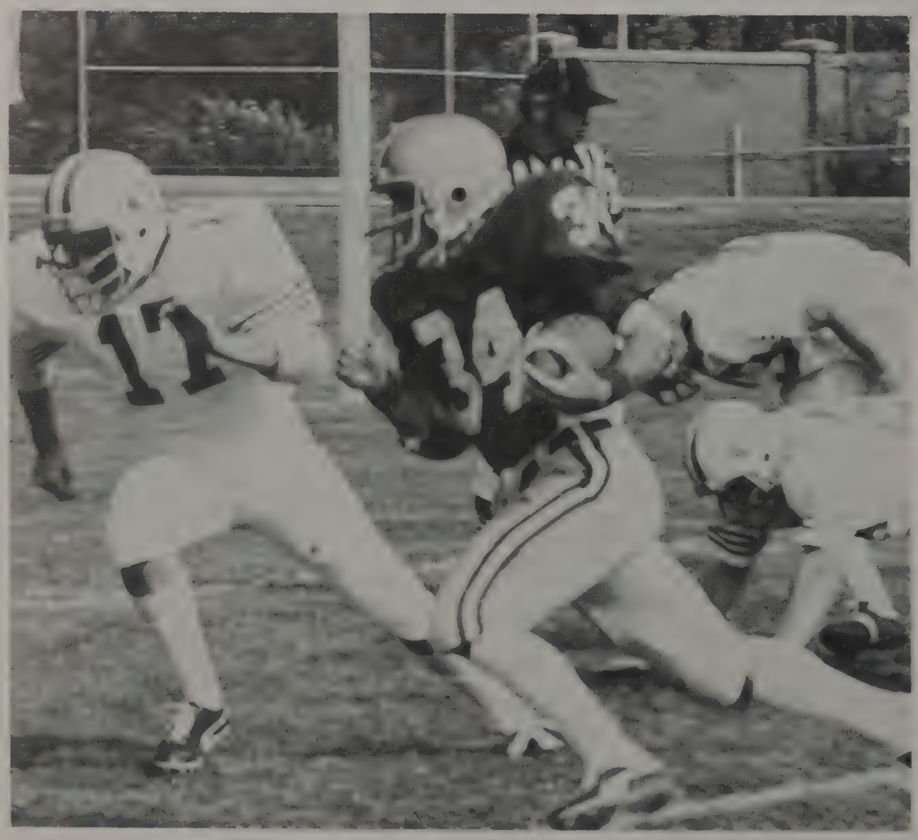
Quarterback Joe Toth goes to the air in the fourth quarter of the game against Grove City . . .

. . . Despite a heavy defense, Paul Gulling made numerous catches . . .

. . . Not only did Gulling "burn" the two defensive players, but he also went on to score six in a thriller of a game just right for Parents' Day.



The defensive team stops the ball carrier on the draw play.



Claude Charlillo turns the corner and heads for the goal line.

Jeff Teece takes a breather on the sidelines and anxiously watches.

Row 3: Ray Bassel, Andy Thompson, Mark Miller, Dan Keehn, Phil Francis, George Gachichio, Javier Navarro, Coach Joe Luxbacher.

This year the Raider Booters upheld their unquestionable reputation. The team's season was one of high competition and fast action. This year the squad worked as a team and not as one of individual conquests for personal gain.

The team had to settle for a second place finish in the OAC.

The Wooster Scots may have won the championship by the number of points but Mount outplayed the Scots in all other respects.

# Women's Volleyball

The volleyball team finished the 1978 season with an overall record of 12-5 and an Ohio small college record of 10-1. The season was very successful and was capped off with a bid to the state tournament.

Coach Cooke carried a young squad with five freshmen and no seniors, and is very optimistic about next year's team. Junior co-captain Cathey Stricker received the Player's Player Award at the fall sports banquet.

Left to right, row 1: Kandy Locke, Cindy Ready. Row 2: Sis Woods, Peggy Orendas. Row 3: Marcia Holt, Jill Uhler, Jennifer Smith, Andrea Vale, Terri Carle. Row 4: Fay Perryman. Row 5: Cathey Stricker.

It was a disappointing season for the Mount Union basketball team as the squad finished the 1979 campaign with an 8-17 record and a 5-10 mark in Ohio Athletic Conference action.

But despite its record, the Purple Raiders won the first round of the OAC Tournament. The Raiders shot an amazing 58 percent from the field to beat the Yeomen, 76-69. In that game junior Tim Cope paced the Raiders with 18 points in the first half. With the Oberlin victory under their belts, the Raiders advanced to the quarter final round of the OAC tournament at Baldwin-Wallace College. The Raiders paired off with the College of Wooster and were defeated 94-79. Despite the loss, Mount Union's Dave Truax scored his season's high by hitting 28 points. Truax led the Raiders all season long in the scoring department. The 6-8 senior chipped in 13.2 points per game and also was the squad's top rebounder with 7.5 caroms per contest. Truax was backed by Cope, who hit 12.7 points per game and 6.3 rebounds per contest.

Front row: left to right; Sis Woods, Jennie Kendeigh, Kandy Locke, Michelle Kokinda, Becky Mowrey, Cyndi Lococo, and Michele Mellott. Back row: Lynne Vincent, trainer; Pam Oliver, manager; Margo Watters, Lynn McIntyre, Terri Carle, Cathey Stricker, Maureen Pendleton, Lori Caruso, Pat Burns, statistician; and Coach Merry Ormsby.

In regular season action, the women Raiders defeated Kenyon, Notre Dame of Cleveland, Baldwin-Wallace, Hiram, Oberlin, Mount Vernon, and Case Western Reserve. They lost only four games to Muskingum, Malone, Akron, and John Carroll.

The Mount Union squad was led by sophomore Terri Carle. Carle, a 5-10 center, hit 13.8 points per game and pulled down 11.8 rebounds per contest. Also hitting in double figures was sophomore Michele Mellott, a 5-4 guard, who chipped in 11.7 points per game and handed out 32 assists for the 1979 season. Sophomore Kandy Locke was also impressive in her first year of action for the women's team. The 5-4 guard scored 9.3 points per game.

The Mount Union College wrestling team recorded a 9-4 mark at the end of the 1979 season and a third place finish at the OAC Championship.

During the regular season the Raiders defeated Wooster, Malone, and Heidelberg twice, plus Marietta, Ohio Wesleyan and Grove city. The Raiders lost to Baldwin-Wallace, Ashland, and Muskingum.

At the conference championship Mount Union had two individual winners of OAC Championship titles. Scott Johnson, a three time OAC runner-up at 118, won the 126 pound championship by defeating number one seeded Mark Eshler of Ohio Northern by a 9-3 score. Johnson was also named the winner of the John Summa Most Outstanding Wrestler Award. Raider Jim Dugan at 134 also won an individual OAC championship. Dugan and Tom McKeever of Muskingum were tied at 8-8 with 40 seconds left in the championship bout. Then, Dugan lifted his opponent and threw him to the mat for a two point takedown and the conference title. Earning runner-up status at the OAC Championship meet was the 167 pound Mike Stuffel and the 190 pound Jeff Teece. The four wrestlers advanced to the NCAA Division III Championship at Humboldt State in Arcata, California.

# Men and Women's Swimming

Front row: left to right; Jim Valentine, Todd Locke, Scott Butterworth, Tom Freeman, Dustin Catlin, and Chris Jones. Back row; Tom Gerber, Doug Ackerman, Tom Gaffney, Bob Peters, and Greg Jameson.

Mount Union's men's swim team finished the 1979 season with its best record ever, 7-3. The squad defeated Muskingum, Walsh, Hiram, Ohio Northern, Heidelberg, Ashland, and Wittenberg, while they lost to Oberlin, John Carroll, and Kenyon.

At the Ohio Athletic Conference Championship, Mount locked up a seventh place finish. Heading the Raider attack at the conference meet was sophomore Greg Jameson. Jameson landed a seventh place finish in the 500 yard freestyle with a time of 4:56.30 for a new school record and set another Mount record in the 200 yard freestyle with a time of 1:48.79 for seventh place. Jim Valentine recorded the Raiders' highest finish with a sixth place position in the 100 yard butterfly with a time of 54.46. The women's swim team had a very disappointing season as they chaulked up an 0-5 record. Judy Friend was named the Most Valuable member of the team as she enjoyed her best season in three years.

Front row: left to right; Carol Putman, Pam Fox, Karen Hanson, Ann Sain, Kim Kubasta, Deloris Angeli, and Judy Friend. Back row; Nancy Hart, Diane Erikson, Kathy Egler, Becky Mowrey, and Nancy Egler.

Best of luck in your future pursuits and welcome to the Alumni Association.

Sincerely,

Gordon R. Brollier
Alumni Secretary

The Seniors' Prayer:

Almighty God, our Heavenly Father, to whom all personality is sacred, and to whom all search for truth is holy, we give Thee hearty thanks in this high hour for the opportunitites we have enjoyed and the development we have experienced in this place. Grant us Thy Grace that the Holy dreams, we have dreamed during our four years here may never die in us and that the serious purposes we have formed here may not lightly be given up.

O Thou most holy Father, in whose sight all beginnings are sacred bless this beginning. As we go out from this college to our appointed tasks, arm us with all true wisdom, strengthen us for our labors, and grant us ever the guidance of Thy Spirit that to our work in the world, when it is finished, Thy final approval may be given, and that upon us Thy promised blessings may fall. Through Jesus Christ our Lord. Amen.

Well that's it, the 1979 *Unonian*.

When I accepted the responsibility of putting this yearbook together, I knew there would be many obstacles, because I was in a similiar position in high school. But now looking back, I can honestly say that the good memories have definitely outweighed the bad.

There are quite a few people whom I am very grateful to for all of their help and support.

To Plajer and Cross Photographers: Mr. Plajer and Mr. Cross alternated between the taking of all activity pictures, and their professional touch is a definite plus to the book. Thank you for a fine job and for fitting me into your tight schedule.

To the members of my staff: I appreciate the time and effort most of you gave to the book. All of you can be proud of the contributions you made. Sue Thomas was responsible for finding the theme in the opening section. After the staff reviewed it and altered it here and there, it still had the effect that Sue and the staff meant for it to have. I would like to particularly thank Gwen Brown, Terry Pike, and Scott Butterworth for the overtime they put in.

One Saturday afternoon in the fall while I was taking pictures at the football game, I ran into an alum, Mark Sykes. He was a photographer for the *Unonian* when he was at Mount. He volunteered to take pictures during homecoming weekend, and thanks to him, we had more quality pictures to work with.

To Pam Creedon, Todd Schneider, and Carol Wearstler at the Public Information Office: I'm very grateful to each of you for the pictures, copy, and ideas you so generously gave me for the book.

To Mr. John Urian, Herff Jones Representative: You and I worked together way back when I was in high school. Thanks for providing me with various beneficial ideas that smoothed out the rough edges. You have been a very helpful consultant, and I want to especially thank you for having so much faith in me.

And finally to Mr. Walton the *Unonian* advisor: You provided the necessary constructive criticism that developed this book into everything we wanted it to be. If by chance some of the English ain't grammatically correct, I hope all profs will forward their complaints to Mr. Walton, who so diligently strived to make sure nothin' slipped by him. In all sincerity, thanks for being there.

Sincerely,

Lori Zaytzeff
